**Voting instructions:**

At the General Meeting, the proxy representative shall exercise the voting rights of the shareholder granting the authorisation in each of the items of the agenda of the General Meeting as indicated with a cross (X) below.

- The option “Yes” or “In favour” means that the shareholder is in favour of approving the proposal.
- The option “No” or “Against” means that the shareholder objects to the acceptance of the proposal. By voting in advance it is not possible to submit a counter-proposal to the General Meeting or demand a voting.
- “Abstain from voting” means giving an empty vote and shares are considered to be represented in the General Meeting, although the shares are not considered voting in favour or against anything. This is meaningful, for example, in resolutions requiring qualified majority, as in qualified majority items all shares represented at the General Meeting are taken into account and abstentions thus have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.

The Shareholder’s shares are not taken into consideration in an item in question, not considered as shares represented at the General Meeting and not counted as cast votes with regard to the item in question if

- no voting instructions have been indicated.
- there are more than one voting instruction on the same item.
- other text or markings other than a cross (X) have been used to indicate a voting instruction.

If the shareholder doesn’t state otherwise, the given voting instructions are assumed to concern all shares of the shareholder.
